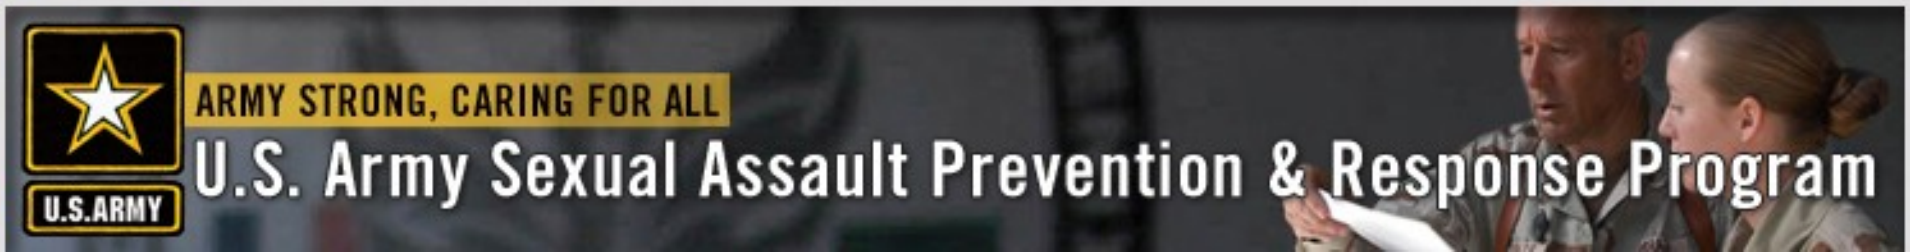
Department of Army Official Definition of Sexual Assault and Consent

- **Sexual Assault** - intentional sexual contact, characterized by use of force, physical threat or abuse of authority or when the victim does not or cannot consent; sexual assault can occur without regard to gender, spousal relationship, or age

- **Consent** - shall not be deemed or construed to mean the failure by the victim to offer physical resistance. Consent is not given when a perpetrator uses force, threat of force, coercion, or when the victim is asleep, incapacitated, or unconscious



Prevention Tactics

- **Situational Awareness**, and Trust your Instincts
- If you consume **alcohol**, do so in **moderation**. Army in Korea trends indicate the use of alcohol by the offender, the victim, or both contributes committing the crime of sexual assault
- **Do not** leave your **beverage unattended** or accept a drink from an open container
- **Communicate** clearly (verbally and non verbally) your **limits** and **boundaries**

Plan of Action

- You have the right to say **"No"** even if you:
  - Say yes, but **change your mind**
  - Have **had sex** with this partner **before**
  - Have **been kissing** or "making out"

- **Have a Plan** for someone you can call if you need help If you feel uncomfortable, scared, or pressured, **act quickly** to end the situation. Say, **"Stop it"** and **leave** or call for **help**

- Use the **Buddy System**

- Keep the **doors** to homes, barracks, and cars **locked**

  NOTE: Be aware of Command's Barracks Policy

- Know your resources: Call **158 (DSN) or 0505 764- 5700 (Cell Phone or Commercial)** to report a Sexual Assault!
